MEMORANDUM FOR THE RECORD

SUBJECT: Country Seminar

STAT

1. [ ] asked whether more than one CRS analyst could be included in the "Oil Politics" seminar. I told him that we were trying to keep it to a size that can be accommodated by [ ] He understood, but felt that so broad a topic (geographically) makes it hard to narrow the choice to one individual.

STAT

2. I also explained to him that we had originally thought in terms of a seminar on Iran, but had postponed that subject until spring. I told him we hoped to get one going early next year on another topic.

3. He suggested two likely subjects: East Germany and Cuba.
